

Pilot/Controller Forum - Phoenix-Mesa Gateway (KIWA) ATCT Tower

This pilot/controller forum will include representatives from KIWA ATCT, local flight schools, and SDL FAASTeam. The forum will provide a means to update pilots on new construction projects, discuss safety concerns, and common errors revolving around Phoenix-Mesa Gateway (KIWA).

All pilots and users are welcome to attend! Please bring questions and concerns that can be civilly discussed among the attendees.

Directions: This meeting will be hosted via Zoom and you must register to receive meeting login information. Meeting login will be released the day of the event.
