

FAA Safety Team presents:

## **VMC Club Meeting - Mastering the Art of Aviation**

We are seeing an alarming trend of runway and airspace incursions, especially in the east valley airports and airspace. Please Join our guest speakers Cary Grant and Jim Anderson for this always important and timely topic, as they bring to light the facts relating to these recent incursions, a discussion of the intricacies of the Phoenix airspace, airport operations, and how you can avoid those same mistakes.

Presentation, discussion and Q&A. Webinar length 2-2.5 hours. Qualifies for 1 Credit for Advanced Knowledge Topic 1 and 1 Credit for Basic Knowledge Topic 3

EAA/VMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations.

Membership in the EAA/VMC Club is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!
