FAA's Runway

Safety [https://www.faa.gov/airports/runway\\_safety/videos/](https://www.faa.gov/airports/runway_safety/videos/) "From the Flight Deck" video series provides pilots with actual runway approach and airport taxiway footage captured with cockpit mounted cameras, combined with diagrams and visual graphics to clearly identify hot spots and other safety-sensitive items. "Runway Safety Pilot Simulator" video series a self-guided resource to assist flight instructors with teaching student

pilots surface safety best practices, before they step foot into the cockpit.
