EAA/VMC Club, through the EAA's global Chapter structure, provides organized "hangar flying" focused on building flying knowledge and skills. The program's network promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Through the FAA Safety Program, aviation professionals provide informative WINGS presentations. Membership in the EAA/VMC Club is encouraged but not required to participate in this meeting. For more information and to take part in this event, click the link below and register TODAY!

IMC Club will immediately follow.

Park in front of the main terminal building. Entrance to the meeting room is from the outside on the left side of the main terminal door. From the ramp, entrance is through the main terminal doors. Meeting room door is on the far right side of the lobby.
