

EAA Chapter 1445 Monthly VMC Club Meeting - Open To All Pilots- No Membership Required

Event Details

Do you often fly with a non pilot passenger? Are they a nervous flyer or just want to be more involved? During this 1 hour presentation we will watch and discuss a video designed for your non pilot passenger wanting to learn more about ForeFlight and how they can assist you with planning, in-flight procedures, and emergencies. Even experienced ForeFlight users will learn a trick or two.

The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.
