

## **IMC Club Monthly Meeting - EAA Chapter 1445 - All Pilot Welcome (EAA Membership Not Required)**

### **Event Details**

The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules, procedures, and member experiences. We also have occasional guest speakers.

**This Month Dr. Steinmetz will discuss lapse rates, how they are shown on Skew-T Log-P charts and how this information may be used to determine where thunderstorms are more likely.**

**The scenario we will discuss is titled "Cancelled IFR"**

**Additional Meeting Details:**
