

Useful FAA Handbooks - Power Hour Lesson w/CFI Bootcamp- All Pilots Welcome

Event Details

There are numerous aviation handbooks on the market available for purchase from dozens of private companies, all claiming to be the best. But did you know the FAA has a treasure trove of handbooks available, most available to download for free?

Join us for this 1 hour presentation as Mike highlights some FAA handbooks you haven't heard of that can be super helpful at making you a better and safer pilot. Every pilot should read and add these to your library..

Open to all pilots. Valuable insights for both instructors and students in training.

Specialized subjects tailored for flight instructors, covering instructional techniques, communication skills, flight planning, safety protocols, and teaching methodologies.
