

VMC Club Meeting - EAA Chapter 1445 - Mastering the Art of Aviation - EAA Membership Not Required

Event Details

The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a 1-hour scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

The scenario we will discuss at this meeting is an electrical situation and potential in flight fire risk experienced by a pilot shortly after take off.

Bring your EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member to attend
