

Getting A CFI Certificate At Minimum Cost - Power Hour Lesson w/CFI Bootcamp- All Pilots Welcome

Event Details

Becoming a professional flight instructor is one of the most rewarding, most challenging, and most costly ratings there is. Earning this rating will set you a cut above, and be one of the proudest achievements you will reach as a professional pilot.

But is there a way to do so less expensively, and not compromise your skills or safety as a pilot?

Join us for this 1 hour presentation as Mike discusses a checklist of things you can do today that really cut down the cost, and will actually make you a better and much safer pilot in the process.

Open to all pilots. Valuable insights for both instructors and students in training.
