

VMC Club Monthly Meeting - EAA Chapter 1445 - All Pilot Welcome

The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

Have you ever wondered what flying to Oshkosh for AirVenture was like? John Warner will give a 1 Hour safety presentation from first hand experiences flying to AirVenture with a detailed look at the FISK Arrival, Formation Flying, as well as flying the Oshkosh Mass Arrival.

Bring your EFB, your experience, and your questions, and be ready to participate.
