

Automated Aviation Weather - SEZ Fly-In

Fred Gibbs, Arizona Pilots Association and FAASTeam Lead Rep will discuss details and limitations of automated aviation weather products and how they work.

Located at the Sedona Airport. If driving, turn right at the stop sign just past Sky Ranch Motel. Parking lot in front of the terminal building. If flying, lots of space on the ramp, and easy walking distance to the terminal building.

A message from the National FAASTeam Manager
