

FAA Pilot Proficiency Awards Program (Wings) - Saturday Power Hour Lesson - All Pilots Welcome

Event Details

Plain and simple, the objective of the WINGS —Pilot Proficiency Program is to reduce the number of accidents in General Aviation by assisting pilots and flight instructors to find educational opportunities designed to help them apply the principles of risk assessment and risk management.

But, do you know how to use it?

Join us for this 1 hour presentation as the many benefits of the WING's program are detailed so you as a pilot or flight instructor can benefit from this valuable, yet under utilized, and often misunderstood resource

Open Mic discussion follows the presentation. Attendees can ask questions Live.
