Register now using the following "One Time" registration link. You will be sent a reminder when it is time to.

Just before the Power Hour Lesson begins check your email for the logon link to join the webinar

[Registration Link - Click Here](#)

Want to greatly expand your skills?

Join us for this 1 hour presentation as Mike explains what you as a CFI need to know to teach, or what you as learner need to know to be able to add a high performance, complex tailwheel, or pressurized endorsement to your certificate and be able to fly these airplanes safely and remain current and proficient

Open Mic discussion follows the presentation. Your questions answered live

All registered attendees will receive a PDF outline of the presentation whether they attend or not just by registering

Specialized subjects tailored for flight instructors, covering instructional techniques, communication skills, flight planning, safety protocols, and teaching methodologies

WINGS credit instructions provided at the end of the presentation

Register now using the following "One Time" registration link. You will be sent a reminder a few days prior.

Just before the Power Hour Lesson begins check your email for the link to join the webinar

[Registration Link - Click Here](#)

Once registered you will automatically be registered for all future Power Hour presentations and receive a weekly email reminder of upcoming Power Hour Lessons. You may opt out anytime.

All registered attendees will receive a PDF outline of the presentation whether they attend or not so please register using the link above.

JOIN US EVERY SATURDAY FOR 3 HOURS OF LESSONS AND CONVERSATION

1st hour begins with a CFI centered "Power Hour Lesson" that qualifies for wings credit.
