

# Hybrid - EAA VMC Club Monthly Meeting - Chapter 1445 - Membership Not Required

## Event Details

Want to use your pilot certificate for a greater purpose? Run out of "\$300 Hamburger" places to go?

Becoming a volunteer pilot is one of the most rewarding ways to use your special talents as a pilot. At this months EAA VMC meeting special guest Alan Underwood from Angel Flight West will explain the mission of AFW, and how you can make a difference to individuals needing travel for life saving medical treatment.

Many people need on going specialty medical care which is often not available in the city or town where they live. AFW unites these individuals with volunteer pilots who either use their own, a rental or club plane to fly them to their life saving appointments saving them time and expense.
