Come Prepared To Laugh and Learn

Here is just some of what you'll learn during this 1 hour presentation

- 1. How to configure the "airport" for landing practice.**
- 2. Why "power off" approaches are essential for landing practice.**
- 3. Why your students choice of sunglasses is preventing them from landing.**
- 4. Where students should learn to look when learning to land.**
- 5. "Fanning?" An Exotic technique for teaching the flare. Not at all!**
- 6. Pitch and Power techniques you have never heard before.**
- 7. And So Much More!**

Open Mic discussion follows the presentation. Your aviation questions answered live.

Register now using the following "*One Time*" registration link. You will be sent a reminder a few days prior.
