

EAA Chapter 1445 Monthly IMC Club Meeting- All Pilot Welcome - No Membership Required

Event Details

The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

This Month: The scenario we will discuss is titled Shoot Or Chute

The scenario titled "Shoot or Chute" describes an actual flight as follows: As a pilot flying a Cirrus SR22 on an IFR flight, what resources do you have available in the event of an in-flight emergency.
