

Sedona Airport Fly-In Wings Safety Program

A one-and-a-half hour discussion on the terrain, density altitude, crosswinds, gusts and wind shear that makes Sedona (and Flagstaff) a flight environment that will keep you on your toes.

NOTICE: This is one of five (5) programs to be presented during the week-end Fly-In. There are five (5) notices, one for each seminar to be held during the week-end. You are requested to sign up for each seminar you are intending to attend in order to ensure you get WINGS credit for each seminar you attend

Located on the Sedona airport. Easy walking distance from airport parking, aircraft ramps and displays. Look for Safety Program signs..
