

## Sedona Airport Fly-In Wings Safety Program

*A one and a half hour discussion on all aspects of aviation safety across the state of Arizona, i.e., pilot deviations, runway incursions, ops errors, accidents, incidents, etc*

**NOTICE:** *This is one of five (5) programs to be presented during the week-end Fly-In. There are five (5) individual notices, one for each seminar to be held during the week-end. You are requested to sign up for each seminar you are planning to attend in order to ensure you get Wings credit for each seminar you attend*

Located on the Sedona airport. Easy walking distance from airport parking, aircraft ramps and displays. Look for Safety Program signs..

### **A message from the National FAASTeam Manager**
