

AFTW (Arizona Flight Training Workgroup) - ZOOM Meeting

Instructors and school representatives meet to address safety management issues when conducting flight training in Arizona. Standing topics for this 1-hour meeting are airports, airspace, instrument approaches, airmen certification, Airman Certification Standards (ACS)/Practical Test Standards (PTS), best practices, and other flight training and pilot testing issues. See AFTW.org for more information.

In this May meeting, a portion of the meeting will be directed at discussing TFD stack procedures.

Follow the link below to the AFTW Next Meeting page, where you will find a 'click HERE' link to register for the meeting (you may cut/paste the link below in a browser if not automatically directed to the AFTW ZOOM registration page):
