

Accelerating Flight Training Using Apps - Weekly Saturday Power Hour Lesson - All Pilots Welcome

Event Details

[Registration Link - Click Here](#)

Just before the Power Hour Lesson begins check your email for the link to join the webinar

Flight simulator apps are becoming more powerful and more realistic with what they can do and can be a valuable training tool if used properly. But which ones really work?

Join us for this 1 hour presentation as Mike shares X-Plane, MSFS, ForeFlight procedures — how to use them to accelerate training without building bad habits.

Open Mic discussion follows the presentation. Your aviation questions answered live.
