

Expanded Parachute Drop Operations in Arizona Airspace

Representatives from both the United Kingdom RAF and U.S. military contractors will be present and answer questions on their training activities around Bishop, Coolidge, and possible other locations. This scheduled 1.5 hour meeting is primarily directed towards the flight training providers using the South and Rainbow Valley practice areas, but representatives from all Phoenix area flight schools should attend. All pilots, if you transit through these areas, you need to be aware of these operations and are highly encouraged to attend. It is much more than just being cognizant of the NOTAMS for PJE.

The agenda will include discussions on:

1. Military Parachuting Activities.
2. HALO (High Altitude, Low Opening) and HAHO (High Altitude, High Opening) Procedures.

3. NOTAMs (Notice to Airmen) and their significance.

4. Radio Frequency Coordination when entering a Parachute Jump Area

United Aviate Academy is located at the Goodyear Airport in Goodyear, Arizona. The seminar will be held in Building 57. Use I10 west to Exit 128, Litchfield Road. Proceed south on Litchfield Road, 2.2 miles to W Goodyear Parkway and turn west. Follow Goodyear Parkway for .4 miles to Cessna Dr. There is a large parking lot at the intersection of Cessna and Goodyear for you to park in. Walk south on the sidewalk towards the intersection of Cessna and Beech Blvds. The entrance is up a short flight of steps with the sign overhead labeled Lounge 57. Enter the building and follow the signs to the meeting area.

If flying to the event, park at the FBO and exit the building, walk Southeast along Goodyear Pkwy to Cessna Dr and follow the directions above for those driving.
