The EAA VMC Club provides a "hangar flying" experience organized around visual flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

This month one hour meeting we will discuss Go Around's. How to perform and practice them safely.

Bring your EFB, your experience, and your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member to attend

We will also be discussing how you can earn ***WINGS*** Credit.

Park in front of the main terminal building. Entrance to the meeting room is from the outside on the left side of the main terminal door. From the ramp, park aircraft in transient parking. Entrance is through the main terminal doors. Meeting room door is on the far right side of the lobby.

A message from the National FAASTeam Manager

Earn your WINGS to get a chance to win a prize. Go to https://www.wingsindustry.com/WINGS-Sweepstakes for more info. Join us on Facebook: https://www.facebook.com/groups/GASafety/
