The EAA IMC Club provides a "hangar flying" experience organized around instrument flight, in order to promote safety, education, and proficiency.

Every meeting consists of a scenario presentation and group discussion about unusual or interesting charts, changed rules and procedures, and member experiences. We also have occasional guest speakers.

The scenario we will discuss is titled "Hard To Fly At Night"

Dr. Steinmetz will present the scenario and discuss night flight, navigation, flight planning, and flight over water.

Additional Meeting Details:

IMC Meeting begins at the conclusion of the VMC meeting approximately 7:30, but sometimes runs late. If you are only attending the IMC meeting please arrive by 7:30 and find or wait for a seat.

Bring your EFB, your experience, your questions, and be ready to participate.

All are welcome. You do not need to be an EAA member or instrument rated pilot to attend

We will also be discussing how you can earn ***WINGS*** Credit.

Park in front of the main terminal building. Entrance to the meeting room is from the outside on the left side of the main terminal door. From the ramp park in transient parking, entrance is through the main terminal doors. Meeting room door is on the far right side of the lobby.
