Dear Fellow Inspectors,

Once again it is time for the annual I.A. Renewal. The Miramar College Aviation Program invites you to attend an Approved I.A. Seminar on:

Friday, March 28th, 2008

**Miramar College, 10440 Black Mt. Rd. San Diego, CA
Building I-101 (Indoor Amphitheater)**

*****No Reservation needed – Get up and Show up***
*Start Time: 8:00 AM***

Once again we are sponsoring an approved I.A. seminar here at Miramar College. This will be a one-day event with eight hours of attendance which will apply towards your Biennial Inspection Authorization Renewal due in March of 2009. We are very excited about the program we have assembled.

Topping the list is Phillip Lockwood and his team from Lockwood Aviation for the morning session. Phillip is president and CEO of Lockwood Aviation Supply, a company he founded in 1989, now the largest Service Center for Rotax Aircraft engines in North America. His presentation will be on Rotax Aircraft engine maintenance, as well as information on the requirements for performing maintenance on Special Light-Sport Aircraft (S-LSA). Take a look at the rest of the program. First presentation will begin promptly at 8:00am so get there early. I'm looking forward to seeing you again this year.

08:00 to 12:00 = Lockwood Aviation on "Rotax engines and S-LSA"

12:00 to 01:00 = Lunch

01:00 to 03:00 = Professor Chlapecka on "Special Fasteners"

03:00 to 04:00 = Dr. Amy Fraher & Captain Matt Boyne (UAL) on "Human Factors"

04:00 to 05:00 = Inspector Fred Christlieb on "Failure to Follow Procedures"

FAA will be available to sign Certificates of Attendance for the event.

A map is printed on the back to assist first time participants. Parking will be free. Morning coffee and donuts will greet you, but we will not be providing lunch as in the past so please plan ahead. I recommend you consider brown bagging it, or use the many fine eateries nearby. See You There.

John S. Shablow
Program Director, Miramar College.
