

The Benefits of WINGS Participation for PCF Members

THIS EVENT IS EXCLUSIVELY FOR PACIFIC COAST FLYERS MEMBERS ONLY
Weather you are a veteran WINGS participant or are not yet aware of the program, this is a seminar you will not want to miss. Come learn how the WINGS program can make you a better and safer pilot and how easy it is to be involved. Rich Martindell, President of the San Diego Aviation Safety Council, long time Lead FAASTeam Representative and our local expert, has agreed to share his knowledge of the program and even help sign PCF members up after the event.

Directions: The Administration Building is the first structure on the left as you enter Palomar Airport. Please park in long term parking just past the Admin building on the left, down the hill.
