

## Flight Instructor Open Forum - Teaching Emergencies

FAASTeam Flight Instructor Open Forums provide an opportunity for Flight Instructors, Ground Instructors, Designated Pilot Examiners, and the FAA Safety Team (FAASTeam) to meet and discuss one or more of the Top 10 Causal Factors in General Aviation Accidents at each of the Open Forums. In this Forum, we will discuss "Teaching Emergencies" for Flight Instructors. We hope you will bring and share your ideas and techniques for training emergencies and other critical abnormal events.

**Directions:** The meeting will be held at the SAA International Ground School Classroom. There is plenty of parking for visitors at the school.
