

## Happy Landing's, Mix and Mingle - Drones

Quad Copters with Go-Pro camera's and numerous other configurations of "Drones" are being purchased and flown by novice operators in very large numbers. The influx of UA's or Unmanned Vehicles will only increase and the battle for equal rights to the National Airspace System is sure to become both lively and challenging.

**Directions:** The meeting will be held at the Landings Restaurant Patio Area which is right next to the Airline Terminal Ticket counter. For parking, please proceed past the building to the main parking lot which is down a short grade on the left.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
