

Ditching, and living to tell the story

After a successful ditching on a trip to Catalina after a total engine failure, Dave Prizio examines ditching-related issues including minimizing over-water risks, the question of ditching versus beach landing, ditching preparedness, and post-ditching survival.

Directions: I-805 South to 905, take 905 East toward Otay Mesa. Take the Britannia exit, turn left onto Britannia, turn left onto Otay Mesa Rd. Turn right at the stoplight at Cactus Rd into Brown Field entrance, turn right onto Continental St. Follow instructions at security gate to call EAA for entrance. Chapter 14 is next to Brown Field control tower.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
