

Attention Pilots!

- Does that “special someone” in your life always have “something I have to do” when you suggest a fun flight?
- Do your friends pretend not to hear you when you say, “Let's fly to . . . “
- Do you hear from friends, family, and co workers that they would never go up in a small airplane?

We have a great suggestion to help both you and them!

WHO: The Palomar 99's

WHAT: Sponsoring a Flying Companion Seminar

**WHERE: Palomar Airport - Premier Jet Center
2100 Palomar Airport Road, Carlsbad Ca.**

WHEN: April 30, 2016. From 8:30 am to 5:00 pm

- * This all day seminar is for anyone who would like to be a comfortable cockpit member.

Flying Companion Topics include:

- ✓ Aerodynamics: How and why an airplane flies.
- ✓ Radio procedures: How to use the radios and about emergency frequencies.
- ✓ Navigation: How to read charts and help navigate.
- ✓ Instruments: What those gauges can tell you.
- ✓ Checklists: What are they for and how can the passenger help with them.

And much more!

Upon completion of this seminar, your companion will very likely enjoy flying more and will definitely be able to help you in the cockpit.

The cost is \$75/person but if you register by April 1 the cost is \$65.
Lunch, snacks and a copy of the presentation are included.

To sign up send an email to **Palomar99s@gmail.com** and we will send the registration form.

Proceeds benefit our scholarship fund.
