

## Skydiving and GA

Duffy Fainer will talk about being cautious and aware of numerous skydiving operations in our region and how to avoid having an unwanted passenger drop into your airplane while enroute. He will also talk about how the 400 man freefall formation was airlifted by five C130s of the Royal Thai Air Force, how that formation was accomplished, and why it's never been broken.

**Directions:** I-805 South to 905, take 905 East toward Otay Mesa. Take the Britannia exit, turn left onto Britannia, turn left onto Otay Mesa Rd. Turn right at the stoplight at Cactus Rd into Brown Field entrance, turn right onto Continental St. Follow instructions at security gate to call EAA for entrance. Chapter 14 is next to Brown Field control tower.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
