

# Bridging the Gap between Controllers and Pilots to improve Safety

Rod Reddeg is an Air Traffic Controller with SoCal TRACON. As part of SoCal's renewed outreach efforts, Rob's presentation will cover controlled air operations (IFR and VFR) in Southern California. The objective of his discussion is to bridge the gap between controllers and pilots to improve safety.

**Directions:** I-805 South to 905, take 905 East toward Otay Mesa. Take the Britannia exit, turn left onto Britannia, turn left onto Otay Mesa Rd. Turn right at the stoplight at Cactus Rd into Brown Field entrance, turn right onto Continental St. Follow instructions at security gate to call EAA for entrance. Chapter 14 is next to Brown Field control tower.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
