

A dramatic scene of a wildfire with a drone and a firefighting aircraft in the sky. The text is overlaid on this image.

DRONES

FAA REGULATIONS

TACTICS

FIRE FIGHTING SERVICES

With all of the changes with FAA Regulations & Rules regarding Commercial and Recreational Drones, many agencies; such as, Fire Services, Law Enforcement, and other service-oriented fields using Drones are confused at the compliance requirements, and understanding the differences between Commercial and Recreational Unmanned Vehicles (Drones).

This event will educate attendees on the latest FAA Regulations & Rules, identify the differences between commercial and recreational unmanned vehicles, teach tactical maneuvering of Drones, and information specifically for Fire Service practices and requirements to meet FAA Compliance.

WHEN: August 17, 2016
11:00 am to 3:00 pm

WHERE: University of Phoenix, San Diego Campus
9645 Granite Ridge Rd
