

San Diego FAASTeam & UAS Outreach Task Group presents:

# **DRONES - Latest Rules Updates and the FAA**

August 29, 2016 a new FAA Airmen rating and Rule becomes effective.

With all of the changes with FAA Regulations & Rules regarding Commercial and Recreational Drones, many agencies; such as, Fire Services, Law Enforcement, and other service-oriented fields using Drones can be confused at the compliance requirements, and understanding the differences between Commercial and Recreational Unmanned Vehicles (Drones). Registration at this web site will provide Wings Credits if desired. Please register at the University of Phoenix link below for an official headcount for our Host:

<https://uopx-drones.eventbrite.com>

This event will educate attendees on the latest FAA Regulations & Rules, identify the differences between commercial and recreational unmanned vehicles, teach tactical maneuvering of Drones, and information specifically for Fire Service practices and requirements to meet FAA Compliance.

**Directions:** The School Campus is located in the Kearney Mesa area, just Southeast of the Montgomery Airport
