

How Drones Impact Manned Aviation

Be sure to download and access the PDF File attached to this Notice.
This Crib Sheet has many references in a single source.

This overview of the whole drone phenomenon will provide context for discussion of what the new unmanned aircraft rules mean to manned airmen. How drones will be integrated into the National Airspace System. Pathways to obtaining the new FAA RPIC certification with a sUAS rating.

Directions: Exit I-15 or SR-163 at Balboa Ave; go west from I-15, east from SR-163 to Ruffin Road, south on Ruffin Road to the first traffic light at Ridgehaven, turn west into the Solar Turbines parking lot.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!
