

## Plus One Flyers Club New Member Safety Briefing

Proper preflight procedures, engine starting, taxiing, ATC communications, departure and arrival procedures, emergency procedures, collision avoidance, aeronautical decision making, after landing procedure, securing and refueling. A general review of causes of common accidents and incidents.

**Directions:** Office in the Lobby of Montgomery-Gibbs Executive Airport Terminal Operations Building. As you enter from the parking lot through the East Entrance door on the ground floor, it will be the first door on the right.

### A message from the National FAAS Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAAS Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
