

San Diego FAASTeam presents:

**FAASTeam Planning Meeting - Administered by the SAN
Aviation Safety Counselors**

FAASafety Team Seminar Planning meeting. Discussions of topics to be presented at future venues based on statistical data and safety trends. This meeting is open to interested airmen who support the Wings Program and FAASafety Team efforts. This is an opportunity for individuals to check out the planning process. This is also a good place to learn the steps needed to apply as a FAASafety Team Representative.

Directions: California Aeronautical University is directly south and across the street from the Montgomery-Gibbs Executive Airport Administration building and the Casa Machado Restaurant. It is in the former Crown Aviation's maintenance hanger building. Look for the "CAU" banner on the front of the building.
