

San Diego FAAS Team presents:

Where Can I Fly My sUAS (Drone)?

Whether you fly for recreation (fun) or for commercial purposes, learn where you can fly your sUAS close to home. Guest speaker Eric Hanscom has been flying in little-known areas of east San Diego and Imperial Counties for 6 years and has suggestions, tips and guidance to find beautiful places to fly while staying safe and legal. Highlights of Eric's presentation include Borrego Springs, Salvation Mountain, The Official Center of the World, and Coyote's UFO Retrieval and Repair Service.
