Getting the service you want from ATC:
Priceless!!!

Rob works for the SoCal TRACON, the busiest in the world, and has been a very active ATC spokesperson all around Southern California. He has led past Operation Rain Check visits at the TRACON, and has been the featured speaker at many pilot groups in the WP09 (San Diego) and other regions. He has an engaging speaking style and his Q & A sessions at the end are extremely valuable and popular.

Join us to hear Rob speak, who can help you unravel the mysteries of working with ATC and help them give you better service. Rob will also be able to update us about staffing at the TRACON during the pandemic.

They really are here to help!

Prior to attending a safety seminar in person, please review and abide by Current CDC, State and Local Health Guidelines.
