

Ask a DronePro about safe sUAS operations

Several DronePros from San Diego and surrounding areas will be discussing frequently asked questions from the sUAS industry. There will also be time for live Q&A. This is a perfect time to present your questions. This webinar is free and open to anyone interested in knowing about safe UAS operations. Invite any recreational or commercial UAS (drone) operators you know.

This month we will be discussing:

FAA 3 P's & 5 P's

Restricted area flying, geofencing.

How to identify restricted flying areas.

Flying in a MOA.
