The IMC Club at Palomar is in our 4th year now and we're happy to augment our dedicated core group with new attendees. Our typical hour-long agenda is to discuss best practices, new technologies, current events and we always cover something local. Pilots of all skill levels are encouraged to attend and contribute to our vibrant discussions.

Driving: Take I-5 to Palomar Airport Road. Go East 3 miles to the airport entrance. Administration building is the first building on the left as you enter the airport. Parking lot is the first left at the stop sign after you pass the administration building.

Flying: Park at transient parking or Western Flight. The administration building is a short walk to the South.
