

## San Diego Area Airports Virtual Round Table Pilot Controller Open Forum

Please join us for a chance to hear from our local Air Traffic Controllers and discuss issues specific to our local SD airports and airspace. Bring your questions for any of the towers to help you enhance safety and efficiency when flying to/from the San Diego area. Hear the latest on airport construction and other concerns from the airport managers.

On the Agenda will be the following topics:

### Event Details

**Thu, Sep 26, 2024 at 18:30 PDT**
