

Takeoffs Landings and Most Everything in Between

Here's a brief sampling of this program's contents:

1. Is it pitch for airspeed and power for altitude or vice versa?
2. Why polarized sunglasses make it harder to judge the landing flare.
3. Why is the lowest legal visibility for VFR flight 1 mile?
4. Why are your passengers your worst enemy on any flight?
5. What is "Jet Brain" and why do so many young pilots have it?
6. Many more interesting and educational topics of interest to all pilots.
