

Fallbrook CAP Squadron 87 Safety Meeting

Avoiding the emergency to begin with by taking steps to mitigate the possibility is always the best course. However, once those steps have failed and the moment arrives, what can we do to be ready? This presentation and discussion will focus on training and strategies to deal with the emergency once it occurs so that there will be the best chance for a positive outcome.

From the north, take I-15 south to Mission Road then turn west and south into Fallbrook. At East Alvarado Street turn left and then immediately right into the library parking lot. From the south, take I-15 north to Mission Road then turn west and south into Fallbrook. At East Alvarado Street turn left and then immediately right into the library parking lot.
