

Fallbrook CAP Squadron 87 Safety Meeting

You just had an inflight emergency and because you were prepared, you made it to the ground in one piece. However, you are in a remote area and are now in a survival situation. This seminar will be a discussion of strategies, training and gear that will turn a potential tragedy into a great "There I wuz..." story. Join us at 1900 on Wednesday, 11 March 2026, as we examine actual accidents resulting in survival situations and ways to Prep to Survive.

From the north, take I-15 south to Mission Road then turn west and south into Fallbrook. At East Alvarado Street turn left and then immediately right into the library parking lot. From the south, take I-15 north to Mission Road then turn west and south into Fallbrook. At East Alvarado Street turn left and then immediately right into the library parking lot.
