

## Fallbrook CAP Squadron 87 Safety Meeting

Lessons learned during an instrument training flight which include the training plan, preparation and decisions made leading up to the flight which took the crew inadvertently into icing conditions. CFII Dave "Wendy" Thomas will discuss the incident, the aeronautical decision making before, during and after the encounter and the post-flight debrief.

From the north, take I-15 south to Mission Road then turn west and south into Fallbrook. At East Alvarado Street turn left and then immediately right into the library parking lot. From the south, take I-15 north to Mission Road then turn west and south into Fallbrook. At East Alvarado Street turn left and then immediately right into the library parking lot.
