

Fallbrook CAP Squadron 87 Safety Meeting

We will be discussing the "Chart Supplement and other "Remarkable" Guides to Operating at Unfamiliar Airports", presented by Lt Col Kevin "Algae" Moss. An important consideration when flying our missions is that we may end up far from home, landing and operating out of new and unfamiliar airfields.

From the north, take I-15 south to Mission Road then turn west and south into Fallbrook. At Santa Margarita Street turn right and then immediately left into the FPU D parking lot.
