

Pacific Coast Flyers or PCF Presents Brandon Gonzales from Palomar Tower

We are fortunate to have Brandon back at the CRQ Tower! He not only has years of experience as an Air Traffic Controller, he's also been on the other side of the microphone as a pilot and CFI for many years. Brandon will share accounts of emergency situations he has experienced including an off-field landing. You'll hear what it's like to make critical decisions under pressure and learn how to best prepare for these events. His Q & A sessions at the end are always extremely valuable.

Brandon is uniquely qualified to share these life saving tips. You don't want to miss this important event.

YOU MUST REGISTER TO RECEIVE WINGS CREDIT AND PCF CREDIT

The meeting will be held at the Palomar Airport Administration Building which is the first structure on the left as you enter the airport property. Please proceed past the building to the main parking lot which is down a short grade on the left.
