

Reno FAASTeam presents:

Flight Maneuvers Demystified

S-turns, Rectangular patterns, Chandelles, Lazy Eights, Forward and Side Slips, Hammerheads, Snap Rolls, Whip Stalls, Spirals: What do they all mean? How are they performed? Master Flight Instructor Tim Brill reveals the secrets behind these and other maneuvers, starting with a review of the fundamentals of flight. Never again be fooled by the often-colorful names given to various maneuvers—you'll know the code after this seminar!

Directions: Building located at west end of Reno Stead Airport. Call Tim Brill at (775) 232-4881 if you get lost!

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
