

Glider Operations in the Reno-Tahoe Area

The topic of the meeting will cover glider operations in the greater Reno-Tahoe area. Items covered will include radio communications. See and avoid hints and where to look for gliders.

Directions: The CAP Headquarters is located on the East side of the Reno-Tahoe Airport in the old FSS building on Rock Blvd.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
