

FOREFLIGHT- Pilots depend onForeFlightfor flight planning, charts, aviation weather, and more.

Pilots depend on ForeFlight for flight planning, charts, aviation weather, airport information, document management, synthetic vision, and more. This will be an actual demonstration with an IPAD II and the use of a projector for all to see the capability.

Directions: Building is on the north side of the airport with large El Aero Services sign on the front of the building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
